

Dear

Title:

Author/s:

Submission Type:

Topic:

We would like to confirm that your submission entitled “**Co-Mg ferrite nanocomposite as a humidity sensor device**” has been accepted for a Presentation in **IKSTC1st**, to be held in Çankırı during 1-3 September 2022.

Please conform to the deadlines given on the conference website for the registration-related matters. You can check the session you will be presenting from the conference program and our online interactive conference management system. Also please follow all announcements declared on the website www.ikstc.org.

Looking forward to seeing you this fall in Çankırı

On behalf of the Organizing Committee,

Best regards.

Prof. Dr. Volkan Eyupoglu
